

Residence Hall Application and License Agreement Information

Please read this information before completing and signing the attached Residence Hall Application. Following are the “Terms and Conditions” governing application for, assignment to, and occupancy of the residence halls at Eastern Arizona College. The College reserves the right to deny campus housing, change room assignments, or remove a student from campus housing if it is felt to be in the best interest of the student and/or the College. You may also apply online at www.eac.edu/campus_life/housing/formchoice.shtml

Room Availability

The 370 spaces in Campus Housing are at a premium, especially during Fall Semester. There is typically a waiting list for the Traditional Halls in the Fall and both semesters for Residence Towers. Assignments are made in the following order of priority:

1. Returning residential students
2. Room Scholarship recipients in Traditional Halls only*
3. New students by date of receipt of application and \$150 deposit
4. All academically-active part-time students on a space-available basis only

**All applications for Residence Towers are handled in chronological order. There are no spaces reserved for scholarship recipients.*

Application and Assignment Procedure

1. Apply early because your place on the Housing Assignment List is based on the date of receipt of the completed application and \$150 deposit. Attach a check or money order made out to Eastern Arizona College. You may also pay with a credit card by calling the Housing Office at 1-800-678-3808, ext. 8605.
2. Within two weeks of submission, you should receive an email acknowledging receipt.
3. By mid-May (December for Spring Semester housing), our returning students will have completed their reservation process and the Housing Office can determine the number of spaces available for new students.
4. In early June (early-December for Spring Semester housing), a housing assignment email along with roommate preference questionnaire will be emailed to applicant. From that point on, assignment letters are

emailed to new applicants to fill spaces as they may come available throughout the reservation period.

5. In early July, check-in informational packets will be sent to assigned applicants. If you do not want your room, you have until July 15 (December 15 for Spring Semester housing) to request a refund of your \$150 deposit.
6. Communication will be by email or U.S. mail, and occasionally by telephone. It is your responsibility to access these communications in a timely manner. The Housing Office is available throughout the year to verify receipt of applications/deposits and check on hall space availability.

Campus Housing Waiting List

Do not panic! Waiting lists are a normal part of campus housing. If you are placed on a waiting list, please call the Housing Office at 1-800-678-3808 Ext. 8605 to determine your current status. College students' plans change constantly and the waiting list can change from moment to moment. Residence hall spaces become available continually throughout the process.

Residence Towers Waiting List

If you are on a waiting list for Residence Towers, you may be assigned to a Traditional Hall (Mark Allen, Nellie Lee, Wesley Taylor) until a space becomes available in Residence Towers. When a space becomes available, you will be contacted by email or by Residence Life Staff notifying you of your status and a time frame in which you are to move into Residence Towers.

If you do not move within the time frame established, or opt to stay in a Traditional Hall, your name will be passed and the next student on the waiting list will be notified.

The difference in room cost for Residence Towers must be paid before checking in. The Housing Office can assist you in determining that cost. If you prefer to wait off campus instead of being assigned to a Traditional Hall, please notify the Housing Office.

Damages/Alarms

You will be charged for individual damages/false fire alarms and/or community damages for which the responsible party remains unidentified. You can help reduce your costs by locking room and hall/community doors, limiting visitors, and identifying students causing damage.

Refunds

The \$150 deposit is your reservation deposit. If you do not move into campus housing, it will be refunded if:

- You cancel on or before July 15 for Fall Semester or December 15 for Spring Semester; or
- Cancel link: www.eac.edu/campus_life/housing/confirmcancel.shtml
- You have not been assigned to campus housing and ask to be removed from the list.

As you check into campus housing, the \$150 converts to your damage deposit. It will be refunded minus any individual or community damages if you move out of campus housing after the end of the late registration period for that semester. The damage deposit carries over from semester-to-semester when you reserve your room as a returning student. You will be required to pay any damage costs incurred so that the deposit remains at \$150 at all times. It takes three to four weeks after check-out to process a refund. You should not expect the refund to be available at departure.

- Students who cancel a residence hall reservation on or before the day the residence hall opens will be eligible for a full refund of room costs. Students who cancel or move out of a residence hall by the close of registration will be eligible for a 50 percent refund of room costs. There is no refund of housing cost after the end of registration.
- Students must check-out with head resident to be eligible for refund and be released from responsibility for room.

Payment/Check-In

The halls open a few days before classes begin. You will be notified of the date by email. Your room and meals must be paid for by this date or you will lose your reservation. If you do not claim your room in person or by telephone by 5 p.m. of the first day of classes, your space will be reassigned.

Hall Closures

All halls close for Thanksgiving weekend. The halls are also closed at the end of each semester and during Spring Break. They are not open during the summer. You are required to be out of the hall on or before the date of each closure. All personal belongings must be completely removed over the summer. There is no access to the halls during closures. Exceptions must be cleared with the Housing Office two weeks prior to hall closures.

Residence Hall Standards

All hall residents are expected to be knowledgeable of and follow all the guidelines and regulations included in the Residence Life Handbook.* The following is a summary of regulations you are required to follow immediately upon check-in:
