Notes: The foregoing is a recommended, or suggested, sequence of courses. Of course, if a student enters the program in the spring, or transfers credit in, the above would have to be modified.

The degree currently requires MAT 171 & MAT 220 but these courses are no longer offered by the Math department at EAC. The degree will be updated to MAT 181 & 220 in Fall 2020 therefore; these courses are recommended in this guide.

This degree dictates specific courses that must be taken as part to meet the General Education requirements. Consult your catalog. All courses must be completed with a grade of "C" or better--Be sure to check the catalog for other changes and requirements.
