PROGRAM INFORMATION

The goal of the Eastern Arizona College Emergency Medical Technician Program is to prepare competent entry-level EMT's in the cognitive, psychomotor, and affective learning domains. EAC offers an Emergency Medical Technician education program for qualified candidates. Completion of the EMT 103 – Emergency Medical Technician* course prepares the student to sit for the national certification exam for Emergency Medical Technicians. EMT 103 is offered each fall semester as noted below:

EMERGENCY MEDICAL TECHNICIAN*

EMT 103 — Emergency Medical Technician
EMT 103G — Emergency Medical Technician Lab
EMT 121 — Cardiopulmonary Resuscitation **OR** current BLS card.

EMERGENCY MEDICAL TECHNICIAN – Certificate of Proficiency**

Completion of additional courses in the program enables the student to petition for the Certificate of Proficiency in Emergency Medical Technician** from the college. **This is not a requirement for national EMT certification.** However, these courses **are** pre-requisites for the Paramedicine Associate of Applied Science Degree and are highly recommended. These courses are listed below:

BIO 160 - Introduction to Human Anatomy and Physiology **OR**
HCE 156 - Science for Allied Health **OR**
BIO 201 **AND** BIO 202 - Human Anatomy and Physiology I & II
EMT 121 - Cardiopulmonary Resuscitation
EMT 170 - Vehicular Extrication and Trauma Care
HCE 112 - Medical Terminology
HCE 116 - Medical Dosage Calculations

All courses must be completed with a grade of “C” or better.

Entry into the EMT program requires formal admission before the candidate can be registered for courses. Please contact the EAC Administration Office at 928-468-8039 for additional information regarding admission.

GENERAL INFORMATION

We appreciate your interest in the EMT Program and hope the following information will help you determine whether you are currently qualified for admission to the program. If you feel you are qualified, an application is included in this packet. Complete the application and bring it with supporting documentation to the administration office. This packet is also available for download from our web page or you can obtain it via email from Sarah Owens at sarah.owens@eac.edu. Qualified applicants are admitted based on a first come first serve basis. Each EMT course is limited to 24 students.

Applicants are responsible for verifying completeness of their files for registration. Contact the EAC Administration Office at 928-468-8039 if you have any questions regarding registration.

APPLICATION REQUIREMENTS

All applicants must meet the following qualifications at time of application:

1. Completed Emergency Medical Technician Training Program Application (Can be completed electronically and printed).
2. Proof of applicants age (All applicants must be 18 years of age or older by the end of the course.)
3. Proof of completion of ENG 113, College Reading, or proof of at least a 10th grade reading level on College approved assessment test. (Accuplacer Next Generation Reading score of 250 or Accuplacer Classic Reading score of 65) **Your EAC reading assessment test score is available on Gila Hank online or from your advisor.*
4. Current American Heart Association BLS Healthcare Provider card or proof of concurrent enrollment in EMT121.
5. Arizona DPS fingerprint clearance card. **Receipt of payment to DPS will be accepted with your application until a copy of the fingerprint card can be submitted to the Administration Office. Application for the fingerprint clearance card is found at: <http://www.azdps.gov/services/fingerprint>*
6. Proof that required immunizations have been completed or are in progress during the first week of class. All documentation must be complete & submitted to Eastern Arizona College no later than 3 weeks from the course start date, or the student will be dropped from the course. (See pages 6-9 for Student Health Requirements)
7. Current health insurance coverage that remains current throughout the course of training and certification process.

PROGRAM COSTS

	Tuition	Fees
EMT 103, Emergency Medical Technician, 9 credits	\$837	\$250

Courses needed to complete the Certificate of Proficiency include:

HCE 156 Science for Allied Health, 4 credits OR	\$372
BIO 160 Introduction to Human Anatomy and Physiology, 4 credits OR	\$372
BIO 201 AND BIO 202, Human Anatomy and Physiology I & II, 8 credits	\$744
EMT 121 Cardiopulmonary Resuscitation, .5 credits	\$46.50
EMT 170 Vehicular Extrication and Trauma Care, .5 credits	\$46.50
HCE 112 Medical Terminology, 2 credits	\$186
HCE 116 Medical Dosage Calculations, 2 credits	\$186

PROGRAM COSTS CONT'D

The fee amount listed above will help to cover the following required and consumable items:

My Clinical Exchange

One-month subscription to medictests.com for NREMT test prep

Reimbursement cost of the students passing NREMT attempt

One Uniform shirt (Additional shirts may be ordered and paid for by the student, if desired.)

Program Materials/Equipment

Prices stated above are strictly figuring the tuition for the specific course listed. Taking more than one course over the duration of a semester and other factors may change the total cost for tuition. For accurate estimates of total program costs, please contact the EAC Administration Office.

REQUIRED TEXTBOOK FOR EMT 103 COURSE:

Please visit <https://eac.textbookx.com/institutional/index.php> for the latest issue of the required textbook.

In addition to tuition, fees and textbooks for the course, the following items & associated costs will be required in order to successfully complete the EMT 103 course:

Class Uniform Shirt (One shirt is provided with fee payment. Additional shirts may be ordered, if desired.)

Fingerprint Card

Drug Screening Test

All Program Required Immunizations

Additional Immunization Requirements per Clinical/Vehicular site requirements

HELPFUL SUGGESTIONS TO BE SUCCESSFUL IN EMT SCHOOL

- Develop good communication and people skills with an emphasis on development of good patient rapport.
- Develop STRONG leadership skills. Learn to delegate and give direction to others in a decisive manner without being too abrupt.
- The EMT course requires a huge time commitment. Make sure you are ready to commit the time and energy to your education. Do not fall behind.
- Find a study regimen that works for you and stick with it.
- Be dedicated to your education and to the program. Make becoming an EMT your #1 goal.

Emergency Medical Technician Training Program Application - Payson Campus

1. Applicant:

Name: (First) _____ (MI) _____ (Last) _____

Address: _____

City: _____ State: _____ Zip: _____

Phone#: _____ Cell#: _____

Email: _____

2. You must provide documentation for proof of fulfillment for all Student Health Requirements (See pages 6-9).

3. You must attach copies of the following:

- Copy of Driver's License
- Copy of reading assessment scores
- Current AHA BLS Healthcare Provider Card (Front and back) **OR**
- Proof of enrollment in EMT 121, section _____
- Copy of Fingerprint Clearance Card **OR** Copy of receipt of payment to DPS
- Copy of current health insurance coverage
- Class uniform order form

I certify that all the information provided by me is true, complete and accurate. I am responsible for provision of all requested information. Failure to provide proper documentation may adversely affect my admission into the program.

I hereby further authorize and consent to the release of information by this college, hospitals or other departments as appropriate regarding information relevant to the training program as long as such release of information is done in good faith and without malice, and I hereby release from liability Eastern Arizona College and its representatives for so doing.

I understand that Eastern Arizona College and their clinical/vehicular sites acknowledge that certain information pertaining to the condition and care of patients is confidential and, unless waived by the patient, is entitled to protection from disclosure under the law.

Applicant Signature: _____ **Date:** _____

Completed applications with supporting documentation can be submitted to the EAC Administration Office at 201 N. Mud Springs Rd. Payson, AZ. 85541 or via email to sarah.owens@eac.edu.

STUDENT HEALTH REQUIREMENTS

Please complete all requirements listed below. You may meet the requirement with **one** of the listed suggestions. It is mandatory to submit documentation of all requirements to prove fulfillment.

Hepatitis B

- I. Documentation of a positive HbsAg titer.
- II. Documentation of Hepatitis B immunization series x 2 if not covered to positive HbsAb titer on the first series. One “series” of Hepatitis B immunizations includes three injections; an initial injection followed by a second injection given 1 to 2 months after the first dose and a third injection 4 to 6 months after the first dose.
- III. Signed Declination form.

Quadrivalent Influenza Vaccine (Standard Flu Shot)

- I. Documentation of recent immunization. “Recent” is within the last year.
- II. Signed medical or religious exemption form. This will require that a mask be worn during the designated flu season.

MMR (Measles/Rubeola, Mumps & Rubella):

- I. Documentation of positive IgG titer for Measles/Rubeola, Mumps and Rubella. If any of the titer results are NEGATIVE or EQUIVOCAL, you must get your first MMR vaccination and provide proof of documentation. The second MMR must be completed after 28 days and you must provide proof of documentation.
- II. Documentation of completion of one series of MMR immunizations. One “series” of immunizations includes two immunizations for each disease on separate dates at least 28 days apart.

Tetanus/Diphtheria/Pertussis (Tdap)

- I. A one-time adult dose of Tdap (age 19 or older), followed by a Td booster every 10 years, or after 5 years in the event of a needle stick exposure. Tdap=Tetanus/Diphtheria/Pertussis, Td=Tetanus/Diphtheria

VARICELLA (Chicken Pox)

- I. Documentation of positive IgG titer for Varicella or documentation of history of the active disease. This must be documented by physician or health department records. If any of the titer results are NEGATIVE or EQUIVOCAL, you must provide proof of your first Varicella vaccination and documentation of the second vaccination completed 30 days later.
- II. Documentation of completion of one series of Varicella immunizations. One “series” of immunizations includes two immunizations at least 30 days apart.

11-Panel Drug Screen

11-panel UDS or blood draw screens for the presence of the following:
Amphetamines, Barbiturates, Benzodiazepines, Cocaine Metabolite, Marijuana Metabolite, Methadone, Methaqualone, Opiates, Oxycodone, PCP, Propoxyphene.

2-Step Tuberculosis (TB) **Please use attached designated form on page 7.**

- I. Documentation of initial completion of a negative 2-Step TB Skin Test or negative IGRA. 2-step TB Skin Test consists of an initial TB skin test and a boosted TB skin test 1-3 weeks following the first test. If a student has a documented 2-step with negative results, then only a 1 step is necessary.
Date of TB test must be no more than six (6) months prior to start of class.
***If TB skin test results are POSITIVE, documentation of a clear chest X-ray is required. If chest x- ray is POSITIVE, further referral to a county public health & treatment documentation is required.**

PPD-2-STEP TUBERCULIN SKIN TEST

Facility Name or Physician's Office: _____ Phone #: _____

Student Name: _____ DOB: _____ Date: _____

Have you previously had a POSITIVE result from a PPD Skin Test: Negative Positive

If YES, a chest x-ray within the past 5 years is required – *attach report*.

Unless documentation can be provided to indicate a NEGATIVE baseline 2 Step PPD within the last twelve months, a baseline two-step PPD is require

Visit 1, Day 1: PPD antigen is applied under the skin.

Visit 3, Day 7-21: A second PPD skin test is applied.

Visit 2, Day 3: 1st PPD Test is read (within 48-72 hours of placement).

Visit 4, PPD Test is read (within 48-72 hours of 2nd placement).

Two-step PPD (Mantoux) *Note: QuantiFERON blood test, tine, or monovac are not acceptable.*

STEP 1:

Date given: _____ Signature/Title: _____

Date and time Read: _____ Signature/Title: _____

Step 1 Results: _____ mm **Interpretation:** Negative Positive

** Results must be read within 48-72 hours by trained personnel.*

STEP 2:

Date given: _____ Signature/Title: _____

Date and time Read: _____ Signature/Title: _____

Step 2 Results: _____ mm **Interpretation:** Negative Positive

** Results must be read within 48-72 hours by trained personnel.*

Previous or current positive PPD or received BCG

A chest x-ray is required within two years and screened for absence of active TB symptoms.

Chest x-ray date: _____ Results: _____

Medical Treatment Plan: _____

Student can cannot participate in providing patient care in all clinical areas.

Provider's Signature/Title: _____

Please read the following in its entirety: In order for our EMT students to receive the best educational experience possible, personal immunization records are required for this course. This documentation allows students to participate in clinical and ambulance rotations and is necessary to ensure students are protected from common, preventable illnesses.

If you do not have a current immunization record, or if you only have part of the following list completed, please feel free to contact the following vendors for availability, appointments, and current prices. The prices listed are approximate and the locations are not all inclusive. You may check with the other providers/vendors as necessary. *Please note that your insurance provider may cover the cost of these immunizations/vaccines and you are encouraged to contact them for more information.*

Proof must be provided that **all** items are in progress during the first week of class and all items must be complete and submitted to Eastern Arizona College no later than three weeks from the course start date or the student will be dropped from the course.

Student Intern Agreement and Release

Student is enrolled in a course of study at Eastern Arizona College designed to enable student to become a licensed/certified Emergency Medical Technician, Emergency Medical Technician-Paramedic, or other similar pre-hospital health care provider. As part of the curriculum, student will take part in a clinical/vehicular experience which is offered through the school, with company's assistance. The Clinical/Vehicular experience involves: 1) Student performing acquired pre-hospital skills alongside company's personnel and 2) accompanying and observing the Company's personnel providing emergency and non-emergency ambulance transport, care, and related services.

Student is fully aware the clinical/vehicular experience is completely volunteer for educational purposes, not for compensation. Student has asked to participate in Clinical/Vehicular Experience knowing that participation will require Student to accompany Company personnel in dangerous and potentially life-threatening situations. Student realizes that Company and Eastern Arizona College could not, and would not, allow Student to accompany Company personnel without his/her agreement to: (i) release the Company and Eastern Arizona College from any and all claims for injury or death which may result from Student's participation in the program; (ii) assume the risk of death or injury associated with the Clinical Experience; (iii) agree to read, understand, and follow Company's policies, procedures, and guidelines; (iv) act in a professional and respectable manner at all times; and (v) follow the instruction/direction of Company personnel with respect to patient care, demeanor, safety, use of personal protective devices, scene control, etc.

Student understands that he or she is exposing himself or herself to certain risks inherent in the activities associated with the Clinical Experience. Student hereby represents that he or she agrees to assume the risks inherent in the activity. These risks include but are not limited to, being hurt or injured; (1) by broken glass (or other scene hazards) including various cuts about the head, face, eyes, hands, legs, and torso; (2) by exposure to tetanus or contagious diseases such as the Hepatitis B virus, Human Immunodeficiency Virus ("HIV"), or COVID 19; (3) injury due to gurney lifts and or drops; (4) injury from slip and fall type incidents; (5) various strains and/or sprains to one and/or all muscle groups; (6) risks associated with emergency vehicle operation; and (7) risks at the scene of emergencies including assault and battery.

In consideration of Company's agreement to provide the Clinical Experience to Student, Student agrees to release and forever discharge Company and its agents, employees, affiliates, parent corporation, successors, as well as Eastern Arizona College and assigns of and from all claims, demands, suits, injuries or damages of any kind arising in any way out of the participation in this program.

By signing this document, you acknowledge that you have been advised that there are risks inherent in this type of activity and have decided to assume that risk and release the Company and Eastern Arizona College of and from all liability. You agree to release the Company and Eastern Arizona College from any claims associated with the event and that you, not the Company or Eastern Arizona College, are assuming complete and total responsibility for any and all injuries, damages, or losses that you may suffer as a result in participating in the clinical/vehicular experience program.

I agree to all terms set forth above.

Fingerprint Clearance Cards

To obtain information about the DPS fingerprint clearance card application process, go to the DPS website: <http://www.azdps.gov/services/fingerprint/>

You can:

(1) Complete the application packet online (preferred)

OR

(2) Call (602) 223-2279 to request a packet by mail.

****Completing the packet online is 2-3 weeks quicker than waiting for a packet to be mailed.*

When filling out the application, be sure to mark the box next to **Health Science Student and Clinical Assistant ARS 15-1881.**

In order to enroll in class, student must present either the clearance card or proof of submission. Proof of submission includes: (1) a copy of application payment receipt or (2) a screen shot of the receipt.

EMT T-shirt Order Form

Shirt(s) required for clinicals and vehicular rotations. One (1) shirt provided with course fee.

Additional shirts may be ordered and paid for by student.

Please indicate size below.

**Order sheet with amount due must be turned into
EAC Payson Cashier upon registration.**

Cash or Check only; No direct orders. Make checks payable to: ***Black & Tan Tales***
