## SECONDARY EDUCATION

### Associate of Arts Degree

#### TG-XR 60202

**For Advising:** Check for advisor contact information in the curriculum description corresponding to the discipline you plan to teach. For example, if you plan to teach mathematics, look up one of the mathematics curricula for the name of a faculty member advising math majors.

EAC offers many curricula that provide the first two years of a four-year program leading to a bachelor's degree and a secondary teaching certificate. Secondary education is by nature discipline specific. You should choose a university and a discipline you wish to teach as quickly as possible. Then obtain the catalog and/or transfer guide from that institution and follow their curriculum as closely as possible. Rather than this degree, you may wish to obtain the EAC Liberal Arts degree or discipline specific EAC degree if these allow you to more closely follow the curriculum at your chosen transfer institution.

### Curriculum Requirements

EDU 234	ESL/SEI Methods II	3 credits
POS 221	Arizona Constitution and Government	1 credit
Total Curriculum Requirements - 4 credits		

### Curriculum Related Requirements

Select at least 12 credits from the Curriculum Requirements section for the Associate's degree in your emphasis area. For Math and Science majors, students must complete MAT 220, Calculus I. Emphasis areas which offer the program described include:

• Art	• Biology
• Chemistry	• English
• General Science	• Geology
• Health and Physical Education	• History
