ORGANIZATIONAL LEADERSHIP

Associate of Arts Degree

60102

Advisor: Michael Fox, Scott Russell

This Associate of Arts Degree along with an AGECE-A (64 credits total) prepares you to transfer to a college or university and pursue a bachelor's degree in Organizational Leadership. Since program requirements differ between universities, the official transfer pathway (<https://aztransmac2.asu.edu/cgi-bin/WebObjects/ATASS.woa/wa/MajorGuidesNavAZ?School=EAC>) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

This degree also satisfies the needs of students - majors and non-majors - who are interested in organizational leadership primarily as a part of a broad liberal education. In addition, the courses provide a background in leadership principles and techniques to enhance work in such professional fields as education, business, law, and health-related fields.

Students often major in organizational leadership to prepare for careers in related fields such as business, law, social work, healthcare, and political science.

Note for consideration:

- The Arizona State University Organizational Leadership program offered at Eastern Arizona College will accept 75 transfer credits toward the 120 credits required for completion.
