Total Related Curriculum	13
Total General Education	9
Total Elective	6

Notes: This is a recommended, or suggested, sequence of courses. Of course, if a student enters the program in the spring, or transfers credit in, the above would have to be modified. Other "Additional Curriculum" choices are open to the student as well.

Although this degree has no electives listed, overlap between certificate requirements and general education requirements allows room for some elective courses.

Be sure to check the catalog for additional graduation requirements.
