The foregoing is a recommended, or suggested, sequence of courses. Of course, if a student enters the program in the spring, or transfers credit in, the above would have to be modified.

*This degree dictates specific courses that must be taken to meet the General Education requirements. Consult your catalog. **All courses must be completed with a grade of "C" or better--Be sure to check the catalog for other changes and requirements.***

Any developmental courses (such as ENG 100 and MAT 120) must be taken in addition to those recommended for the first semester as prerequisites for later courses.

Note 1. Choose Humanities courses from more than one department and one course must be in the Fine Arts.

Additional Notes:

-
1. *Although the degree only requires 21 hours of core work, students are strongly encouraged to enroll in both COM 205 and COM 115 using one as an elective*
 1. *If student is considering transferring to ASU and wants to be admitted as a major upon arrival, you are expected to complete either MAT160 or PSY220 – an Introduction to Statistics course. You may use this course as your math requirement.*
 1. *Students are strongly encouraged to work with the academic advisor for this major in the selection of electives that will transfer and complement their future studies in Communication or another field.*
