Notes: The foregoing is a recommended, or suggested, sequence of courses. Of course, if a student enters the program in the spring, or transfers credit in, the above would have to be modified.

*This degree dictates specific courses that must be taken as part to meet the General Education requirements. Consult your catalog. **All courses must be completed with a grade of "C" or better - check the catalog for other changes and requirements.***

* 64 credits: HHP 100 counts as a Social Science and Core Curriculum so it is counted twice but there is not more work than the typical 64 credits AA.

If you are pursuing a degree in athletic training, you should take the following Core-Curriculum courses: HHP 278, HHP 292, HHP 293, HHP 294, and HHP 295.
