Language 202 or electives	Foreign Language Requirement	4	If needed - See note 2 below
<b>Total Hours</b>		<b>17</b>	

<b>Total Hours</b>	64
Total Curriculum Requirements (Core)	15
Total Related Curriculum	0
Total General Education	35-36
Total Elective and/or Foreign Language Requirements	13-14

**Notes:** The foregoing is a recommended, or suggested, sequence of courses. Of course, if a student enters the program in the spring, or transfers credit in, the above would have to be modified.

<sup>1</sup>While it is recommended that students take history courses in sequence, it is not required, and may not be possible if this chart is not followed or if the student begins in the Spring Semester, as HIS 104 is Fall semester only and HIS 105 is Spring semester only.

<sup>2</sup>To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:

- If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC.
- If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement.

- 
- If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information.
  - Any foreign language at the 202 course level may be transferred from an accredited college or university.

Depending on which option you choose, select a sufficient number of elective credits to obtain the 64 credit hours required for this degree. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at [https://az.transfer.org/cgi-bin/WebObjects/Admin\\_CEG](https://az.transfer.org/cgi-bin/WebObjects/Admin_CEG). Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

<sup>3</sup>Consult with the university or universities to which you may plan to transfer to see what mathematics requirements they may have.

*This degree dictates specific courses that must be taken as part to meet the General Education requirements. Consult your catalog. **All courses must be completed with a grade of "C" or better--Be sure to check the catalog for other changes and requirements.***
