NOTES:

Total Elective

The foregoing is a recommended, or suggested, sequence of courses. Of course, if a student enters the program in the spring, or transfers credit in, the above would have to be modified.

14-15

Psychology: Students must take PSY 101 before taking any other psychology courses. PSY 240 and PSY 270 are only offered in the spring semesters and PSY 250 and PSY 230 are only offered in the fall semesters. While students are only required to take PSY 230 or PSY 250 to obtain their AA in psychology, it is recommended that they complete both courses.

To determine the Elective or Foreign Language Emphasis students expecting to transfer must check the language requirements of the college or university they expect to transfer to.

Depending on which option you choose, select a sufficient number of elective credits to obtain the 64 credit hours required for this degree. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at https://az.transfer.org/cgi-bin/WebObjects/ Admin\_CEG. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

This degree dictates specific courses that must be taken as part to meet the General Education requirements. Consult your catalog. All courses must be completed with a grade of "C" or better--Be sure to check the catalog for other changes and requirements.
