

EARN COLLEGE CREDITS IN HIGH SCHOOL!

Get an Early Start on College through EAC Dual Enrollment

Eastern Arizona College Dual Enrollment provides high school students courses that may be counted toward both high school and college graduation requirements. Dual Enrollment courses are college courses taught at the high school during regular school hours by faculty credentialed to teach at the college level. Credits earned may be transferred to other community colleges or universities.

Dual Enrollment is offered to high school juniors and seniors, and in some instances freshmen and sophomores, who meet EAC prerequisites.

How to Enroll:

1. Meet with your high school counselor to be admitted
2. Activate your Gila Hank and Monster Mail Accounts
3. Take placement tests
4. Register for classes
5. Pay for classes

With Dual Enrollment, Students Can:

Save time.

Shorten the time it takes to complete a certificate or degree when entering college

Save money.

Pay \$65 per credit, EAC's discounted tuition for high school students

Sharpen Academic Skills.

Experience the rigor of college classes and prepare you for full-time study at EAC

What Students are Saying:

“ Taking Dual Enrollment classes in high school helped me get a few general education classes out of the way and gave me a jump-start on my major. ”

“ My siblings and I graduated from EAC in two semesters by taking Dual Enrollment classes in high school. We were ready to transfer to a university earlier than we planned. ”

“ Dual Enrollment courses helped me succeed at EAC when I enrolled full-time. I recommend this program to all high school students. ”

High School Dual Enrollment Courses 2022-2023
