

Residence Hall Application and License Agreement Information

Please read this information before completing and signing the attached Residence Hall Application. Following are the “Terms and Conditions” governing application for, assignment to, and occupancy of the residence halls at Eastern Arizona College. The College reserves the right to deny campus housing, change room assignments, or remove a student from campus housing if it is felt to be in the best interest of the student and/or the College. You may also apply online at <https://eac.edu/student-life/housing/index.php>

Room Availability

The 445 spaces in Campus Housing are at a premium, especially during Fall Semester. At times there can be waiting lists for the traditional halls (Mark Allen Hall/Nellie Lee/Wesley Taylor Hall) in the Fall and both semesters in Residence Towers. Assignments are made in the following order of priority:

1. Returning residential students
2. Room Scholarship recipients in traditional halls only*
3. New students by date of receipt of application and \$150 reservation deposit
4. All academically-active (6+hrs)part-time students on a space-available basis only

**All applications for Residence Towers are handled in chronological order. There are no spaces reserved for scholarship recipients.*

Application and Assignment Procedure

1. Apply early! Your place on the Housing reservation list is based on the date a completed application and \$150 reservation deposit is received by the Housing Office. Attach a check or money order made out to Eastern Arizona College to pay deposit. You may also pay through your Gila Hank account with a credit card.
2. Within two weeks of submission, you will receive an email acknowledging receipt of application and deposit payment.
3. By mid-May (Dec for Spring semester), our current residents will have completed their reservation process and the Housing Office will determine the number of spaces available for new residents.
4. In early June (early Dec for Spring Semester), a housing assignment email along with roommate preference questionnaire will be emailed to the applicant. From that point on, assignment letters are emailed to new applicants to fill spaces as they come available throughout the reservation period.

5. In early July, check-in informational packets will be emailed to assigned applicants. If you have changed plans and do not want your room reservation, you have until July 15 (December 15 for Spring Semester) to request a refund of your \$150 reservation deposit. Use this link to cancel: <https://eac.edu/student-life/residence-hall-confirm-cancel.php>
6. Communication will generally be by email or U.S. mail, and occasionally by telephone. It is your responsibility to access these communications in a timely manner. The Housing Office is available throughout the year if you would like to verify receipt of applications/deposits and check on hall space availability.

Campus Housing Waiting List

Do not panic! Waiting lists are a normal part of campus housing. If you are placed on a waiting list, you can call the Housing Office at 1-800-678-3808 Ext. 8605 to determine your current status. College students' plans change constantly and the waiting list will change from moment to moment. Residence hall spaces become available continually throughout the process.

Residence Towers Waiting List

If you have been on a waiting list for Residence Towers, you may be temporarily assigned to a traditional hall (Mark Allen Hall or Nellie Lee Hall) until space becomes available in Residence Towers. When a space does become available, you will be contacted by email or by Residence Life Staff notifying you of your status and provide a time frame in which you are to check into Residence Towers.

If you do not move within the time frame established, or opt to stay in a traditional hall, your name will be passed and the next resident on the waiting list will be notified.

The difference in room cost for Residence Towers must be paid prior to checking in. The Housing Office can assist you in determining that cost.

If you prefer to wait off campus instead of being assigned to a traditional hall, please notify the Housing Office.

Damages/Alarms

Residents can be charged for individual room damages, community damages, or false fire alarms. Residents can help reduce or eliminate damage costs by locking room and community doors, limiting visitors, and identifying students that may have caused damage.

Refunding

The \$150 reservation deposit reserves a space in a residence hall. If a resident does not check into a hall during scheduled check-in days, deposit will be refunded if:

- Resident cancels on or before July 15 for Fall Semester or December 15 for Spring Semester;
- Resident has not been assigned to campus housing space and asks to be removed from the reservation list.

Reservation deposits are not refunded if reservation is canceled after the deadline dates described above or resident is a no-show for check-in.

Residents can cancel using the link: <https://eac.edu/student-life/residence-hall-confirm-cancel.php>

Students who cancel a residence hall reservation on or before the day the residence hall opens will be eligible for a refund of room costs minus reservation deposit. Students who cancel or move out of a residence hall by the close of registration for the current semester will be eligible for a 50 percent refund of room costs minus reservation deposit. There is no refund of housing cost after the end of registration.

Students must check-out with hall staff to be eligible for refund and be released from responsibility for room.

Payment/Check-In

The halls open a few days before classes begin. Residents will be notified of the date in their monster email. Room and meals plan fees must be paid by the date the halls open for check-in or a resident is at risk of reservation being canceled and assigned to another resident. If a resident does not check into a room in person or notify the Housing Office by telephone by 5p.m. of the first day of classes, a residents space will be reassigned

Course Registration Requirement

You must be registered for a minimum of 6 credit hours to be eligible to live in the dorms. If you are not registered for at least 6 credit hours by the fourth Monday in July for fall semester and the third Monday in December for spring semester your housing assignment will be automatically canceled and your bedspace will be given to the next person in line on the waiting list. If your housing assignment is canceled, you will be placed on the waiting list and may not be able to get back into your selected dorm. Don't let this happen to you! Be sure you are registered for at least 6 credit hours by the date due.

Hall Closures

On-campus residence halls are closed to all residents during the semester break between the fall and spring semesters and during Spring Break. Fall semester student residents returning for the spring semester may leave their personal possessions in their room they have been assigned. Residents are not required to remove personal possessions from rooms during the Spring Break. Food service/meal plan use will not be available during closure periods and Thanksgiving day.

Residents not returning after the fall or spring semesters are expected to check-out of the hall by 9am on the closure date for the hall or earlier. Residents who have not checked out by that date/time are subject to a daily-rate charge.
