WORK STUDY JOB POSITION

Biology Ranarium Assistant
Science–Discovery Park Campus
Nathan Cline

Position Summary:

Federal Work Study Only. Help with numerous tasks including seeding, propagating, and nurturing plant materials. Applicants should be able to handle frequent lifting and working with garden tools in the greenhouse and outdoors. Best suited for students seeking science degrees. Please contact Dr. Nathan Cline with questions at nathan.cline@eac.edu.

Applications and/or resume should be submitted to the listed supervisor. If hired, a copy of your work-study application must be turned in to the work-study coordinator in the Financial Aid office and all necessary documents completed and submitted to the Human Resources department.

To Apply:

Email work study application to:
