## FINANCIAL AID

### WORK STUDY JOB POSITION

GWP Greenhouse Assistant  
Science – Discovery Park Campus  
Nathan Cline

#### **Position Summary:**

FWS or IWS. Help with numerous tasks involving plant materials which will include seeding, propagating, and nurturing. Applicant should be able to physically handle this job which requires moderate lifting and working with gardening tools, all in a greenhouse or outdoor setting. Best suited for a student seeking a Science Degree. Must fill out an application and turn in to supervisor.

Applications and/or resume should be submitted to the listed supervisor. If hired, a copy of your work-study application must be turned in to the work study coordinator in the Financial Aid office and all necessary documents completed and submitted to the Human Resources department.

#### **To Apply:**

Email work study application to:  
[nathan.cline@eac.edu](mailto:nathan.cline@eac.edu) or apply in person at:  
Science and Allied Health Building  
Contact Phone:(928) 428-8298
