WORK STUDY JOB POSITION

Math Lab Monitor
Mathematics
Timilee Brown

Position Summary:

The Math Lab Monitor supervises open lab time, ensures the safety of the computers and other math lab equipment, and reports any computer/printer problems to their supervisor. Check students in and out of the Math Lab. Monitor computer use to ensure all computer rules are being followed and equipment is being treated with respect. Proficiency in the use of computers and printers is preferred. Must be punctual, dependable and able to sit for long periods of time.

Applications and/or resume should be submitted to the listed supervisor. If hired, a copy of your work-study application must be turned in to the work study coordinator in the Financial Aid office and all necessary documents completed and submitted to the Human Resources department.
