NURSING PROGRAM

Nursing Assistant Student Handbook

September 2022

The Nursing Assistant Student Handbook is intended to elaborate on the EAC Catalog and Handbook for students in the Nursing Assistant Program. The Program reserves the right to make changes to the Handbook when deemed appropriate. Changes shall not be made during a current semester unless absolutely necessary. Any changes made during a semester will be communicated verbally during class and in writing via the students' email accounts within two weeks.

COURSE DESCRIPTION

A course designed to prepare individuals for entry-level positions as nursing assistants in structured health care settings directly supervised by a registered or licensed practical nurse. Successful completion of the certification written and manual skills exams will lead to a certification as a Certified Nursing Assistant (CNA) or Licensed Nursing Assistant (LNA) through the Arizona State Board of Nursing. Students must take NUR 100G, Nursing Assistant Lab, concurrently with this course. Students must attain a minimum of 120 hours of total instruction, which must include a minimum of 40 hours of classroom instruction, 20 hours in the skills lab, and 40 clinical hours in a skilled nursing facility. The Arizona State Board of Nursing requirements for certification include proof of legal presence in the United States and disclosure of felony conviction(s). Fingerprints are required in order for DPS/FBI to conduct background checks for criminal convictions. Student must provide proof of current 2 step TB skin test, or a clear chest X-ray, or a statement from a health care provider indicating student is free from symptoms of pulmonary tuberculosis. The student must also complete a urine drug screen and background screening through the approved third-party vendor which will cost approximately \$104. Some requirements are dependent upon the clinical facility the student is attending.

ADMISSION REQUIREMENTS

Students are required to take English and Math placement tests prior to enroll in nursing assistant course. The prerequisites for NUR 100 is as follow:

- completion of a course in department 'ENG' with a course number greater than or equal to '090' with a minimum grade of "C", or EAC Equivalent reading placement test score "46"

AND

- completion of a course in department 'MAT' with a course number greater than or equal to '100' with a minimum grade of "C", or EAC Equivalent minimum numerical test score of '5'.

Required textbook is Lippincott Essentials for Nursing Assistants, 5th Edition. Students must purchase own textbook and workbook, and bring to class every day. Students are required to have the first TB skin test done in the first week of class. Negative TB skin test is required by associated skill nursing facility. Students are informed that legal residency and criminal background check are required for State Certification or Licensure. Eastern Arizona College checks legal residency upon admission into college.

PROGRESSION & COMPLETION

NUR100 Nursing assistant is a 1 semester course. To complete the training, students must pass the grading requirements for both the theory and skills portion.

DIDACTIC AND CLINICAL REQUIREMENT HOURS

A minimum of 120 hours of total instruction consisting of:

- Didactic teaching in a classroom setting for a minimum of **40 hours**
- Instructor-supervised skills practice/testing (Skills Lab) for a minimum of **20 hours**
- Instructor-supervised clinical experiences for a minimum of **40 hours**, with a minimum of 20 of those hours as direct resident care in a long-term care facility
- Additional classroom, skill, or clinical instruction, at least **20 hours**.

Classroom and Skills Lab hours will be tracked through the online college attendance system. If skills lab hours are missed, make-up hours will be indicated on the C N A Student Hour Log.

Clinical hours will also be tracked, with attendance rolls kept on file by the didactic instructor; each student's hours must equate to at least 40 hours for clinicals.

NURSING ASSISTANT COURSE OBJECTIVES

- Prepare students to professionally provide high quality, ethical, and compassionate health care services.
- Develop the role of the Licensed Nursing Assistant with commitment to excellence and quality outcomes.
- Provide students with the knowledge and skills necessary to perform basic care services for a patient in an acute care setting or resident in a long-term care setting.
- Prepare students to be able to internalize foundational principles of professional nursing assistance to provide safe, culturally competent, therapeutic care for individuals.
- Prepare students to pass the state competency evaluation, both written and manual skills components.
- Assist the patient to obtain optimal health status.
- Demonstrate safety and emergency procedures, including the Heimlich maneuver and cardiopulmonary resuscitation.
- Perform functions utilizing concepts of safe practice for patients and providers including infection control, aseptic technique, body mechanics and universal precautions.
- Implement selected portions of care plan to provide effective care for patients. Task related components include basic nursing skills, personal care skills, basic restorative services, care of the cognitive impaired client, individual client needs, age-specific mental health and social service needs.
- Function as an effective member in an integrated health care team.
- Perform duties utilizing principles of customer service and confidentiality with consideration to patient rights including right to privacy, right to be free from abuse, mistreatment, and neglect.
- Communicate with patients and their families to identify and respond to specific patient needs and reports to RN as necessary.
- Demonstrate interpersonal skills. Communicate with patients, family and health team members in a manner that maintains dignity and respect.
- Identify normal parameters of patient conditions and appropriately reports deviation from norms.
- Complete assignments as directed by the RN, report regularly, and document consistent with established guidelines to record activities, utilizing appropriate medical terminology.
- Adhere to the legal aspects of nursing assistant practice.

NURSING ASSISTANT CLASS POLICIES

Grading:

There are two components to the grade in this class: Clinical & Theory. Both of these components must be passed satisfactorily to pass the course. The **clinical** component of this class will be graded as either "P" for pass (competent) or "F: for fail (not competent).

The theory component of this class will be letter-graded based on test scores as follows:

- A = 91 - 100%
- B = 83 - 90.99%
- C = 75 - 82.99%
- D = 68 - 74.99%
- F = 0 - 67.99%

WEIGHT GIVEN TO METHODS OF EVALUATION

Chapter exams, presentations, and skills testing	80%
Final exam – no make ups or retakes permitted without prior approval	20%

A grade of "P" for Pass in the clinical component AND a minimum grade of "C" in the theory component must be earned to pass the class and to qualify to write the Nurse Aide Training & Competency Evaluation Program (NATCEP) tests for certification as a nurse aide in Arizona. Skills testing must be passed with an 80% or higher.

SUPPLIES NEEDED

- Textbook: Lippincott's Essentials for Nursing Assistants, 5th Edition
- Workbook: Lippincott's Essentials for Nursing Assistants, 5th Edition
- Paper and pencil

TESTING

All tests will be taken at the specified times (see syllabus). If there are extenuating circumstances and the test cannot be taken during the specified time, you must make prior arrangements with the instructor.

CLASS ATTENDANCE

- Students are expected to attend and be on time to all class lectures and clinical sessions for which they are scheduled. The student is responsible for any material missed as a result of an absence.
- Tardiness is a disruption to the educational process. Therefore, if the student is 10 minutes late, he/she will lose one hour of attendance time. Students who enter late are responsible for making sure they are counted present WITHOUT interrupting class.
- After **6 hours** (3 class periods) of absences, the student may be withdrawn from the class.

- The instructor may drop any student who exceeds the absentee policy.
- All skills make-up time scheduled with the instructor will be documented on the C N A student hour log.

SKILLS LABS

Attendance at skills labs is mandatory. It is the responsibility of the student to arrange time with the instructor to learn/practice any material/skills if time is missed. The instructor may offer additional hours for extra practice or make-up skills labs.

SKILL LABORATORY/CLINICAL PRACTICE

- Students attend a minimum of 10 hours of skill lab and pass all competencies prior to clinical practice. Skills lab will be completed in the nursing assistant lab and some skills will also be incorporated with class time.
- Clinical objectives are defined and distributed at the beginning of the program. The clinical practice is graded as pass/fail. Clinical evaluation is based upon written behavioral objectives and guidelines.
- One clinical instructor is present for each 10 students on the units at all times during clinical session.
- Clinical instructor will directly supervise students in clinical areas and document student performance, consistent with course and clinical objectives.
- Clinical instructor will have only activities related to the direct supervision of students during the clinical session.
- Instructor rounds for each student according to patient or resident need and student ability.
- Clinical instructor's cell phone number is used to ensure that instructor is available as needed.
- Students will be given written notification of clinical probation whenever performance is unsatisfactory.
- Students are responsible for their own transportation to and from clinical facilities. Students must be able to attend class and skills lab at the Allied Health Lab building located at the corner of Church Street and Stadium Avenue and a clinical experience at Haven of Safford Care and Rehab and Mt. Graham Regional Medical Center.
- Each student practices direct patient care at a minimum of 40 hours, including at least 20 hours at the long-term care facility.
- Students cannot function as staff or facility during clinical experiences.

CLINICAL ATTENDANCE

- There are **NO** absences allowed for clinicals.
- If a clinical is missed for any reason it will need to be replaced with the same number of clinical hours, if hours are available. If the student cannot be accommodated, the student will receive an Incomplete or fails the course. An Incomplete will be allowed per Eastern Arizona College's policy. Clinical hours will be documented on the C N A student hour log.
- Students must arrange planned changes in clinical schedules prior to the scheduled clinical day with the class instructor.
- If an emergency arises and the student will not be able to attend clinicals, the student must call and make arrangements with the clinical instructor prior to the start of clinicals.
- The student must furnish verifiable proof of the nature of the emergency to class instructor.

- If the student fails to make arrangements with the instructor and/or clinical advisor prior to clinical for an emergency absence it is considered a “no-call/no show” and the student will be dropped from the class.
- If the student is obviously ill, the clinical instructor may send the student home. The student will be required to make up the hours missed.
- **Each student must complete 40 hours of clinical**
- **Each student must complete 20 hours in the skills lab**
- **Overall, the student must complete a minimum of 120 hours from clinical, lab & classroom hours.**

CLASSROOM ETIQUETTE

- Do not talk while the instructor or another student is speaking.
- If any electronic devices are seen in the class room, the student will be asked to leave for the rest of the class period. This will count as a full day’s absence from the class.

WITHDRAWAL AND DISMISSAL

Students are responsible to initiate withdrawal within the time frame set by the College. Instructor may drop students for non-attending.

CLINICALS

- The practice of nursing may put you in a position of possible risk to your physical health. Students are encouraged to carry health insurance.
- Clinical objectives are defined and distributed at the beginning of the program. Additional copies of the candidate handbook may be downloaded from hdmaster.com
- Students are responsible for their own transportation to and from clinical facilities.
- All nursing assistant students must meet health requirements prior to clinical experiences.
- The clinical agency and the college health policies must be upheld in all circumstances of student illness, injury or health limitations.
- The student must provide proof of a current 2 Step TB skin test (within the last year), or a clear chest X-ray, or a statement from their health care provider that student is free from symptoms of pulmonary tuberculosis.
- All health care facilities are smoke-free.
- Cell phones are not permitted in the clinical facilities.

CLINICAL & LAB DRESS CODE REQUIREMENTS

Nursing assistant students participate in clinical facilities with appropriate dress code. If in doubt about what is appropriate, check with your clinical advisor or instructor.

INDIRECT PATIENT CARE

- Knock on the door before entering
- Check to see that the bed is locked
- Pull the privacy curtain
- Address the person by name
- Introduce yourself
- Explain the procedure to the patient
- Ask permission to perform the procedure
- Wash your hands
- Identify the patient (check the ID bracelet)
- Arrange needed items on the overbed table

- Do not expose your patient, keep him/her covered with a sheet
- Talk to the patient and explain each step of the procedure as you are doing it.
- If the side rail was lowered, raise it when the procedure is completed
- Place the call light within reach when you finish the procedure.
- Offer water and place it where the patient can reach it for later use.

STUDENT HEALTH

Health Insurance

The certified nursing assistant program may place students at risk for illness and injury. Students are recommended to carry health insurance.

Pregnancy

Pregnant students may want to take special precautions due to physical requirements and the possible exposure to harmful diseases or substances. If the student is unable to complete their clinical assignments the student may sign a contract with the Instructor and make up the missing clinical hours at a later time. This contract will allow them to be given an incomplete until they are able to fulfill the terms of the contract. All contracts are good for one semester following the current semester.

Disabilities

Students are expected to participate fully in activities required by the program. Physically this includes, but is not limited to, lifting patients, standing for several hours at a time and bending. Students must also exhibit stable mental processes by being able to function appropriately under stressful conditions. Any student having a temporary medical condition inhibiting/restricting their activities must supply a written explanation from their health care provider. Should a student become unable to participate fully in the program's activities, they may be withdrawn from the program or may take an incomplete until they are able to fulfill the required hours to complete this course. All the terms of an incomplete contract must be completed by the next semester. If the student fails to fulfill the terms of the Incomplete Contract, their grade automatically turns to an "F". Students with learning disabilities are encouraged to contact the Counseling office at the beginning of the admission process to discuss service needs. Support services include personal counseling, academic and career advising, registration and financial aid application assistance. Students requesting accommodations must document the need for academic aids. The following academic aids may be obtained through the Counseling office as appropriate: readers, note takers, testing accommodations (including proctors, scribes), library research aid, sign language interpreters, and assistance with adapted course work materials.

TESTING

All tests will be taken at the specified times (see syllabus). If there are extenuating circumstances why the test cannot be taken during the specified time, you must make prior arrangements with your instructor.

STUDENT EVALUATIONS OF THE PROGRAM

Students will be offered the opportunity to evaluate the program, the courses, the instructors, the clinical instructors and sites anonymously at the end of each semester. This will be done either electronically or with paper evaluations.

POLICY CHANGES

All policy changes will be communicated with the students within two weeks. Faculty will make announcements to their students, postings may be made on the website and the handbook will be updated as needed.

SPECIFIC GUIDELINES FOR STUDENT CONDUCT

The nursing assistant program follows Eastern Arizona College's Academic Standards policies in issues involving student misconduct.

STUDENT RIGHTS AND RESPONSIBILITIES

All students must follow Student Code of Conduct set forth by Eastern Arizona College. Students are responsible for their own learning. Students will be asked to participate in class activities and labs as part of their final evaluation. All students will be responsible for all exams and assignments to be submitted by the due dates set by instructor. Certificate of completion will not be issued until all requirements are met.

Students have the right to file grievance for both academic and non-academic issues. Follow the guidelines for Grievance Procedures in the next sections.

The practice of nursing may put you in a position of a possible risk to your physical health. Students are encouraged to carry health insurance. Students must meet health requirements prior to clinical experiences. In circumstances of student illness, injury or other health limitations, both the clinical agency and the college health policies must be upheld. The faculty member will assess a student's ability to give adequate nursing care and will determine if the student can remain and/or return to the clinical rotation, regardless of a physician's approval to return.

If illness occurs during clinical practice, the faculty member will determine if the student must leave the clinical agency. The student will be referred to his/her private physician.

Students have a right to access their school records. Requests can be made in writing to the Records & Registration Office in the Student Services building or by calling 928-428-8270. Records pertaining to the NUR100 course such as copies of skills checklists, attendance record, evaluations of the student, score reports, etc., will be kept in the Nursing Education Center for a period of at least three years. Students wishing a copy of their own record may contact the nursing program secretary at 928-428-8396 or email Erica.parnell@eac.edu .

STUDENT CODE OF CONDUCT

The College, under the authority vested by law in the Arizona State Board of Directors for Community Colleges, has the obligation to determine the standards of conduct appropriate for those who become members of its student body. These standards apply to all and will be administered by the President and/or his designee who may take disciplinary action deemed appropriate for the violation committed. Students, who have rights and privileges as citizens, involve special additional obligations to the college community. It also presumes that students, as members of the academic community, understand that due regard for law and the rights of others are always involved in the realm of liberty.

The rules of conduct specified below are not all-inclusive but are emphasized as being among those necessary for the security and well-being of students attending Eastern Arizona College and are among the circumstances, which may lead to disciplinary action and possible dismissal.

- Conviction of a crime or continued misconduct of any types that is an infraction of the established laws of the town, county, state or nation.
- Possessing or using intoxicating liquors narcotics or other illegal drugs
- Stealing or in possession of stolen articles
- Malicious destruction of property
- Endangering or threatening the life or physical safety of others or self
- Failure to meet financial obligations to the college
- Student's conduct, on or off campus, prejudicial to the best interest of the College may be considered cause for disciplinary action or dismissal.

GRIEVANCE PROCEDURE (NON-ACADEMIC STANDARDS) POLICY 5810.01

Students aggrieved by College actions of a non-academic nature shall have the opportunity for appeal. When a complaint about a non-academic action arises, with the exception of sexual harassment, the student shall subscribe to the following procedure to render the complaint legitimate. Complaints of sexual harassment should follow the procedure set forth in GCCCD Policy 2075.01 Sexual Harassment and described later in this section under "Sexual Discrimination/Harassment Complaints". The student's right for grievance shall be forfeited if the complaint is not addressed through the Official Review Process-Non-Academic Standards. The

Official Review Process – Non-Academic Standards may not be applicable when services are delivered under the provisions of a negotiated contract. The appeal process does not suspend any actions which are being grieved.

DEFINITION OF TERMS

Days Calendar days exclusive of weekends, semester breaks, and official holidays as identified in the College Catalog

Complainant Student complainant

Official College official(s) responsible for the program or action for which the student complainant has a grievance

Student Affairs Officer Campus official designated by the College President for oversight of student affairs

Judiciary Committee College committee charged with responsibility to advise the College President on policies, standards, rules and regulations for non-academic standards; and to serve as an appeals committee for grievances involving non-academic standards

Non-Academic Standards All institutional actions exclusive of academic standards and discrimination as defined by federal or state laws

OFFICIAL REVIEW PROCESS

Step 1. The Complainant shall seek out, within five (5) days of the action, the Official so both parties may be afforded an opportunity to clarify facts and to reach a mutually acceptable solution.

Step 2. If Complainant satisfaction is not achieved in Step 1, the Complainant shall provide a written request identifying the problem and requesting a meeting with the Student Affairs Officer. Within five (5) days of receipt of the request, the Student Affairs Officer shall arrange for a meeting with the Complainant and attempt to mediate an acceptable solution.

Step 3. If Complainant satisfaction is not achieved in Step 2, the Complainant shall provide a written request for a hearing by the Judiciary Committee. The request shall articulate the complaint and shall be delivered to the Chairperson of the Judiciary Committee and Student Affairs Officer within five (5) days after receiving a recommended solution as provided in Step II within ten (10) days of receipt of the request for a hearing, but not less than three (3) days of receipt of the request, the Chairperson of the Judiciary Committee shall arrange for a hearing. The Complainant, the Student Affairs Officer and the Official shall be in attendance at the hearing. Within ten (10) days of the conclusion of the hearing, the Chairperson of the Judiciary Committee shall set forth a written document addressing findings of fact and the decision reached by the Committee. Copies shall be

addressed to the Complainant, the Student Affairs Officer, the Official and the College President. Decisions made by the Judiciary Committee are binding.

GRIEVANCE PROCEDURE – ACADEMIC STANDARDS POLICY 5810.02

The professional educator's qualifications and rights to determine academic standards are respected and accepted. The professional educator shall be accountable for establishing and maintaining appropriate academic standards for coursework.

When a complaint about academic standards arises, with the exception of sexual harassment, the student shall subscribe to the following procedure to render the complaint legitimate. Complaints of sexual harassment should follow the procedure described in GCCCD 4730.00 Sexual Harassment. The student's right for grievance shall be forfeited if the complaint is not addressed through the Official Review Process – Academic Standards.
