Connecting Outlook App to Your MonsterMail account

- 1. Go to your device's App store, search for Microsoft Outlook, and install it.
- 2. Opening the Outlook App should bring you to a screen similar to this.

3. Click the Add Account button, enter your MonsterMail email address, and click Continue.

4. If the next screen takes you to the Sign in – Google Accounts screen, click on the NOT GOOGLE?

with Microsoft apps & services. Before using this app, you can review Microsoft apps & services's privacy policy and terms of service.

And choose Office 365 at next screen.

5. Once you see this screen, enter your password, and click the Sign In button.
