Our summer terms are in full swing. Our Maintenance Departments is very busy with several exciting projects on campus. Our summer camps are also well underway and over the next seven weeks, will bring hundreds of students to campus.
	Enrollment is still up for this coming semester, and we are pleased with the outlook. Our residence halls are over capacity for the fall semester. This is a great problem to have, and we are discussing how to mitigate going forward with the possibility of adding more residence halls on campus.
