

Title :	Orientation of New Members	
Number :		8160.00
Approved :		02/13/85
Reference :		

The College President in conjunction with members of the District Governing Board shall be responsible for preparing a program to inform new members of the philosophy, program, policies, organization and administration of the College and the responsibilities of a District Governing Board member.

The new member shall also be made knowledgeable about the plan for development of the College, its state of development, an evaluation of progress and the financial needs of the College. Such a program shall be developed and implemented after the election of each new member.
