The District Governing Board shall approve all intergovernmental agreements.

The District Governing Board shall be apprised of all operational and service contracts in excess of \$50,000 and other contracts and agreements as requested.

Subject to budgetary guidelines and policies approved by the District Governing Board, the College President or the College President’s designee, shall be authorized to sign all intergovernmental agreements, and approve and sign all other operational contracts, educationally related service delivery agreements, covenants, bonds, etc. While various departments or administrators may conduct preliminary negotiations, final authority for approval shall be vested with the College President.

College staff that enter into agreements or make representation of authority to approve agreements, other than as outlined in this policy, shall assume personal liability and be subject to appropriate disciplinary action.
