

Title :	College Vehicles Assigned to the Campus Police Department	
Number :		2100.02
Approved :		04/11/24
Reference :		

Vehicles assigned to the College’s Campus Police Department shall be used only for official College business.

Official College business includes, but is not necessarily limited to, the following:

1. Patrol of the campus, adjacent areas to the campus, and other campus property that may be owned, leased, or rented.
2. Transporting students to various health agencies.
3. Transporting College personnel on College business.
4. Transporting the Campus Police and Security Officer(s) while conducting official College business.
5. Assisting the local Sheriff and Police Departments when called upon.

The Campus Police Officers will be assigned a College vehicle specifically equipped for police officers. The vehicle(s) may be stationed at the place of residence of the officers. Vehicle(s) available to Security Officer(s), when not in use, shall be parked in the College Police Department area. Security Officer(s) on duty shall be authorized to use vehicle(s) assigned to security operations.

At times it may be necessary to use the vehicles(s) assigned to security operations for other College business. Such reassignment shall require the approval of the College President or personnel designated by the College President.
