**Reference** : **GCCCD 2070.01**

1. The College President, after appropriate consultation with College staff, including the Campus Police, shall assess the need for the assistance of local law enforcement agencies and the Arizona Department of Public Safety.
2. The College President shall determine if regular College activities should be continued or temporarily suspended. This decision will be based upon the elements of risk and personal safety of students and staff inherent in the present situation.
3. Definitive action beyond that described in points #1 and #2 shall be determined by the District Governing Board, meeting in regular or special session. The College President shall see that the further directives of the District Governing Board are carried out.
