

Title	: Federal, State and Other Non-District Funds	
Number	:	3440.00
Approved	:	10/09/85
Reference	: ARS §15-1444; GCCCD 3440.01	

The College President or personnel designated by the College President shall be authorized to seek support from federal, state and other non-District sources as available and as needed in College programs. Such support may be for current educational and general purposes, for student loans, student employment or student grants-in-aid, for capital outlay or for other purposes.

Up-to-date information on the availability of such funds for community colleges will be maintained.
