**Approved** :

07/01/03

**Reference** :

### Repeating Courses

Students may enroll for a course previously completed at Eastern Arizona College in order to improve a grade or to update the student's knowledge of the course material.

The highest grade earned in the course that was repeated will count in the grade point average (GPA) computation; however, all attempts will appear on the student's transcript. A "W" grade does not count toward a repeat.

Students may not claim veteran's benefits for repeated courses.
