2026-2027 Request for Committee Appeal

If an initial Suspension appeal or Maximum Credit appeal is denied, you may appeal to the Financial Aid committee.

If extenuating circumstances prevented you from meeting the terms of your Probation Contract you may appeal to the Financial Aid Committee. ***You must submit adequate documentation to support the basis of your appeal.***

If you have previously worked with an Academic Advisor who is familiar with the circumstances described in your appeal, you may request a letter from them confirming and supporting the reasons outlined in your appeal.

Reason for Appeal:

- ☐ My Satisfactory Academic Progress Appeal was denied.
- ☐ My Maximum Credit Appeal was denied.
- ☐ I did not meet the terms of my probation contract.

Signed Statement Instructions:

Please provide a detailed statement explaining why your appeal should be reviewed by the appeals committee with supporting documentation to support the basis of your appeal.

If you failed to meet the terms of your probation contract, you must explain the circumstances that prevented you from meeting the terms of your probation contract. The circumstances cannot be the same as what you submitted with a previous appeal.

STUDENT ACKNOWLEDGEMENT:

I have provided all necessary documentation for the committee to review.
Insufficient documentation may result in appeal denial. The review process may take from 2 to 3 weeks depending on the volume. If the committee appeal is denied, the decision is **FINAL**.
